My mother was in a car accident when I was a baby. Her arm was broken in several places requiring her to have a cast from her shoulder to her fingers. Mom has often spoke about how Diane cared for me while she was unable to use her arm. Later, Diane moved to a place right behind us. I was probably 11 or 12 years old at the time. I remember going over there all the time! Diane was always good to me, and never told me I couldn't visit. I thought it was so cool to hang out with her! Rest in peace, Diane. Remembering the family in our prayers.
