“ I was a friend and neighbor on Briarwood way back in the early 70s. Cheral and i had many cups of coffee together when her blonde headed boys were so little. I can just hear her calling to what sounded like "Germy" !!!!! WE were both young mommas trying to be wives, mothers and good homemakers and shared our woes with each other nearly daily for a while. She was beautiful and tender hearted and I have often remembered some of our chats over the years. When I saw her name in the newspaper, I remembered a sweet little young housewife who wanted to be a real good Mommie. I can remember her talking about the church she went to in NASHVILLE. When I lived in Greenbriar we attended the United Methodist Church there. Prayers for the family's comfort. My name then was Debbie Greer.

“ Even though Jereomy and I divorced, it didn't turn my love off for Cheral and the rest of the family. She was my kids grandmother. She was like a 2nd mother to me for almost 23 years. My heart is broken for everyone.

I remember the day I had her first grandchild; how excited she was. Then there came Jereomy Delle who was supposed to be a girl. She was so happy and excited. She did so much for me, Jereomy and our kids when we were married and continued doing for my babies after we divorced. She loved her grandkids so much. We lived with her and Ronnie a couple times and I even worked with Cheral for a while. I spent a lot of my younger years with Cheral. I love her and will miss her very much as I know my kids will. They are dealing with it in their own way and I am trying to honor Cheral and I promise I will always keep her memory alive with her grandkids. To the Hornbuckle and Shroeder family; I love you all and I am praying for peace and comfort.

“ Cheral was one of my best friends in high school. I loved her. I'm so sorry Ronnie. Prayers for your family.

“ Beverly and I send our thoughts and prayers to all the family in this time of sorrow. We don't think Cheryl would want you to dwell too long in sorrow, but to relish the fond memories you have of her. I have a fond memory that I've never forgotten. We were sitting in the den and her "attack cat", I think his name was Sampson, rolled over in the floor in front of me. I slipped my foot out of my sandal and started to rub his belly and Cheryl said "I wouldn't do that" and after my foot was attacked, she looked at me and said "Well, I told you not to do that". She and Beverly thought it was really funny. I also remember all the times I would tease her about directing Ronnie how to precisely trim the shrubs. I know you all have wonderful memories to help you through this time of mourning. She will be sorely missed by all.

“ Ronnie Cheral an I were like sisters and did so much together, her family and mine were close, this truly has been very hard for me to believe she is gone. On Wednesday evening we talked and I brought her some coffee from McDonalds and some day clothes and we talked about our grandkids and she showed me Jeremys Senior picture, always loved his curls, he is so handsome. Growing up we shared a lot of fun time in school,Peggy Maynard was also in our little group, so many fun times in the good old days. Anything we can help you with you know how to get this old Fudge Lady. Also your Jeffy & Germ may be grown but we love them much!!
