“ My memories of Gene(Mr. Jackson) are happy ones. As a kid I spent a lot of time at their house, playing, hanging out, riding and working on our bikes, etc. Maybe even some mischief. He and Mary were always kind to me. I miss those days.

“ Gene Jackson was a big part of my childhood and young adult life. I would hang out there and he and Mary always made everyone feel at home. I remember he would work out in the garage on bicycles, motorcycles, or someone's upholstery. He would take me hunting

and fishing. He was never too busy to help you and give fatherly advice when you had a problem. I will truly miss him and all the memories of Dunbar Cave Road.

“ The Jackson Home was a highlight for me in high school where we were always welcome. Mary and Gene filled in as parents for me on many occasions. Gene was always good with a hearty laugh and sage advice. He will be missed.
