“ So sorry to hear about Uncle James passing away. I thought a lot of him and loved to hear him talk about his knives! I too now collect knives and hope I will have as many as he has in his collection someday! I know this will be hard on everyone and know I am thinking of you all in my prayers and if there is anything I can do for any of you I will.

Please keep me posted if you do a celebration of his life. I love all of you and take care of Dixie, she will need all of you now more than ever....
