“ Joe was not only the best father a girl could have but my hero as well. He was such a hard working man and happy to lend a hand or even go e the shirt off his back. He was such a gentle about big heart. I dont believe their was much this man could not teach me. I will miss our fishing and hunting days or even the days where we sit and talk while drinking a cup of coffee. Oh how you will be missed. I will treasure every memory and cant wait to be reunited one day.

I remember all the fun he would have at the creek with my brother and his friends, he was so much in love with his beautiful wife, and they had a long loving life together... I will miss you !! “ So sorry to hear of Joe's passing. Butch always talked fondly of great times spent at the creek and fishing with Joe and his brother Jimmy. He has left a great legacy as a family man and one who was always there to help others. Prayers for the family. "Sam" Gregory.
