“ johnny was my oldest brother. he was a typical older brother always picking on me, putting my head between his knees and squeezing until i thought my head would pop. we shared a lifetime of experiences and laughter along with tears and sadness. I am so glad that he met Lenna his wife because she made his life happy for many years. He is the first of eight children to leave us for heaven but we know he is free of pain and has a new beautiful body. To be absent from the body is to be present with the Lord. That is where he is and we all know that we will see him again. You will be so missed and never forgoteen. we will keep your memory alive each time we are all together. love your sister jere
