“ Saddened to hear of this news this morning, but my heart is smiling too knowing that she is reunited with Reed and Ken. I know that had to be a wonderful moment in heaven. Praying for all those who loved her, as did I. She was a precious lady and friend and she and her family will always be near and dear to my heart.

“ Dot and Buddy, I was saddened to learn that Laura had passed but also excited that she is reunited with Ken and Reed. I was telling Jeff this morning about the times she spent the night with me when Reed and Wayne went night fishing. We would always go to Stratton's for his grilled chicken salad. She would eat every morsel and say how much she enjoyed it. We loved Laura and we want to thank you for the good care you gave her.
