“ Timmy and his family were our neighbors at one time while growing up and he was a kind hearted soul. I am so very sorry for your loss! May God wrap His love, strength and comfort around you all.

With deepest sympathy,

“ Today I will see you for the final time on this earth. You left this world Tuesday night and when you did you took a huge chunk of my heart with you. I wish I could have you back with me, by my side, but instead I will carry you in my heart until we meet again some day.

I am realizing so many things that I took for granted that you did for me, as I am struggling to carry on without you. Our fur babies miss you tremendously too. They all worshipped the ground you walked on.

You and I had many cat & dog fights over the years, but the love we shared always won out in the end, because it was stronger than the anger and the sometimes hurtful things we said to each other in that anger. Love won over the anger every time as it should.

I know you would be so happy to see all the love that people had for you, because you were a kind hearted man always willing to lean a hand to anyone that needed help. Their love, prayers and support have helped ease our very broken hearts at losing you so suddenly that it took our breath away.

Tim, you were my best friend, the love of my life and I am so very grateful God allowed us to meet in 1984. We weren't always together as a couple over those years, but somehow we always ended up back together. We were just meant to be together.

So enjoy the beauty of Heaven and being with your dad again and most of all the beauty & love of our precious Lord and his amazing grace.

I will see you again someday and I know you will be waiting with open arms to greet me.

I love you with all my heart & soul my sweet Tim.

“ Just realized I had put Tuesday, instead of Wednesday as the day you left us. I guess being exhausted and heartbroken makes the days run into each other.

“ So sorry to lose Tim, a classmate from our days in school together. To his family and close friends -- I have prayed for you as you deal with such loss.

.
Lord my God, I called to you for help,
and you healed me.

You, Lord, brought me up from the realm of the dead;
you spared me from going down to the pit.

Sing the praises of the Lord, you his faithful people;
praise his holy name.

For his anger lasts only a moment,
but his favor lasts a lifetime;
weeping may stay for the night,
but rejoicing comes in the morning.
