“ I remember our family walks in the woods every October , all of us being together, sharing a big ol' meal and just sitting around talking enjoying the afternoon and each other's company. The boys playing some football and others coming in from hunting. Great times, great memories, GREAT FAMILY. I will forever miss you. All my love to Jeff & Tammi during this very difficult time.

“ There are just too many memories to share them all.. I remember when he was just learning to walk,at Grandma's house,he had to hold to something and I would roll up a newspaper and he would one end, and I had the other end.We'd start out walking and in a few minutes,I'd let go of the paper and he'd be walking by himself !!We sure will miss him !! Love him bunches !!

“ Wished I had gotten to know Tracy better, but being 200 miles away for 55 years didn't give me a lot of opportunities except for our family reunions every October. What I do know about Tracy is that I never heard him say a bad word of anyone. He was always kind in my eyes. R.I.P.
