“ *My dear friend Adam, it has taken me so long to post a good-bye note to you. I was in shock on June 14th when I heard about you leaving this world and heading home to Heaven. You always said to me "I walk with the Holy Spirit." Yes, you do walk with the Holy Spirit as you were always kind and generous to everyone you knew. Your far too fast departure reminds us that It is important not to waste a minute of our time here with friends and family. I have continued working on the story we started in August 2019. I know you will be proud of the writing when it is finished. Adam, you are "gone too soon." Good-bye, my friend, good-bye. S.Bond*

“ *Adam, ever since we met back when we worked together at Skyline, you have been like a brother. For 17 years we kept in touch and had one of the coolest nights when you and I were looking for Zanies and ended up meeting Steve McNair. Just talked to you a few weeks ago, you'll be greatly missed my friend.*
