

## Agnesanne Murdoch

July 22, 1928 - April 30, 2011

Agnesanne Hollomon Murdoch was born on July 22, 1928, in Trimble, TN. She is survived by two daughters, Jenny Graf of Springfield, and Suzanne Brown of Greenbrier; son-in-law, Bill Brown; one grandson, John Micah Moore; sister, Donna Powell Jones of Murfreesboro, TN. She moved to Springfield in 2005 with daughter, Jenny. Both felt loved and welcomed in this friendly, caring community. Agnesanne was a gifted artist before the onset of alzheimers, this disease making it necessary for her family to seek residential care at NHC Springfield in April 2009. Caretaking provided by NHC and Caris enhanced the quality of Agnesanne's life and brought solace to the family. Following cremation, the family will scatter her ashes, along with those of her husband, Woodie L. Murdoch, Jr., in Ft. Walton Beach, FL. The family requests memorials be made to the Alzheimers Foundation, the NHC Springfield Recreational Dept., or to the charity of one's choice. “ Suzi, Jenny & Bill, I want you to know how much I loved Sam! All those milkshakes I gave to her at NHC, I did it from my heart, I hope she enjoyed them, and they were good for her. I Hope that Dad and Sam are looking down on us and having milkshakes today. and walking on those streets of Gold!

“ I have been blessed to get to know Ms. Murdoch and her two wonderful daughters. Working at NHC in Springfield brought them into my life and has enriched my list of friends tremendously. I will miss being with Susie and Jenny, but mostly with Ms. Murdoch. I will keep the family in my prayers as they adjust to life different from what they have known for these past few years. Memories will help to get you through difficult days. Love, Susie Sholar
