“ Jack was a sweetheart. He loved all he knew and never failed to let them know that by a hug or firm handshake. He was always one of the first to speak to me when I went to Woodland Street Church. He loved that church and its people but most importantly, he loved the Lord. Jack always enjoyed the Christmas program for the children and when Santa came to give them gifts. He loved his grandchildren and was so excited when Jason and Jenny's son was at his first Christmas program with Santa. I have many fond memories of Jack sitting on his porch with his father. He was so good to all of his family. God be with the family. You have so much to be thankful for this Thanksgiving. Jack going to his Heavenly home and being with Jackie and the rest of his loved ones will be at the top of your list, I am sure. Blessings to you all. Nancy W. Lewis
