“ Thank you, Elvin, for your note. Aunt Lois died in January. This has been a difficult year as we have laid mom's brother, twin sister, and now her husband's of 61 years to rest. We are thankful for the hope we have, and pray that we will be faithful til He comes. Donna

“ Lucille, I just learned of Albert's death from Marvin who heard it from Liz. Though we are cousins we haven't kept in touch very often over the years. Marie and I are settled in North Carolina having relocated from Texas where we were since 1978. We were saddened to learn of your brother Harold's sudden death by motorcycle accident about a year ago. I believe your older sister has died as well. Is Lois still alive Marie and I are both 77 years of age. We have pictures of you twins on your father's farm in Zion from 1953. What a long time ago. Stay strong in the Lord. Jesus is returning soon. We will be reunited with loved ones at the last trump. Be comforted in Jesus. Elvin Adams

“Pop was the most inspiring, caring, knowledgeable, and generous Christian man that I have ever known. He thought me so many things in my lifetime that it is overwhelming. I especially remember all the times we cut wood for the winter. So hard-working, sometimes in pain, he could still out-work me without showing the least bit of exhaustion. Such a great father and grandfather, never thinking about himself first. His example as a leader, and especially his witness to others living for the Lord will never be forgotten. I looked forward to his weekly prayers of grace before Sabbath dinner. I am blessed to have had Pop in my life, and look forward to seeing him in Heaven.

“My uncle Joe was the most kindest, generous, and intelligent man I know. One of my fondest memories was when I was about 6 years old and for Christmas uncle Joe built an elaborate electric train set for me with tunnels and trestles with a ramp to go from top to bottom tracks. A lot of work was put into this and he did it in his spare time after working a farm all day. Whenever my mother needed help; he would come and fix the problem immediately. He was a father figure to me and I always enjoyed our conversations. Uncle Joe; you will truly be missed by me and everyone who knew you. Rest in peace.
