“ *Alex was our neighbor in Houston at the Park at White Oak Condos. Always kind, sweet, and helpful, we were sorry when he moved away, but happy for his new adventures. So very sorry for his partner and family, and may kind and loving memories bring consolation, solace, and strength at this time.*

“ *I met Alex at The Robert Treat crash pad when we were very junior flight attendants at Continental Airlines. There were many highs and lows to navigate at CO/reserve life, but as soon as we walked through the door at the 'Treat' our problems we processed through many, many laughs and stories, maybe a glass of wine, and some more laughs. Alex was always a bright light with his infectious smile and laugh.*

*I laugh whenever I look back to our times 'growing up' together at CO, and the flights we operated, the layovers, the friendships.. Although I hadn't seen Akex recently, I thought of him regularly and can see his infectious smile clearly. He will be missed, but I am confident that his bright energy moves on spectacularly. Love you Alex! ❤️💔*
