“ Alfred was such a good friend for the 20 years that I've worked for the State. He was always willing to lend a helping hand and was always so friendly when doing so. My heart-felt sympathy goes out to his family. I'll continue to keep you all in my thoughts and prayers. He will be sorely missed!

“ Have just recently heard about the passing of Alfred via of an email used by many of the old Litton Grads of 67. Very sorry to hear of his passing away. I have very enjoyable memories of him when at Litton high. He was always such a very good friend. I always enjoyed going bowling with him there at the Inglewood Bowling alley. I'm sorry that somehow over the years we lost contact with one another and could not be there doing your time of lost. My prayers are with you and the family.

“ I have known and worked with Alfred for the past 16 years. Alfred was kind and always ready to help. One afternoon several years ago, Alfred walked with me to the parking lot when it had snowed heavily and cleaned off my windshield - front and back while my car warmed up. He was always ready to help someone. I will truly miss him.

“ Alfred was a kind man who always had a ready smile. I enjoyed his funny stories about the "old timers" who used to work here and we would laugh so hard. I'll miss Alfred and enjoyed working with him for many years. My condolences go out to Alfred's family and friends.
