“ My granny was one of the sweetest women you could ever have met! She was so kind, respectful, loving and most importantly she LOVED to help others as much as she could! Granny I love you so much and you'll forever be my beautiful little best friend! Fly high granny and eat as much chicken tenders and smoke as many cigs as you can up there! Oh and of course, hug papa for me! ❤️🥹

“ Alice was a dear cousin, and always nice to me and everyone. She had the sweetest smile. She lived next street over from me in the early 70's on Fatherland Street. I would go over and see her and Joe. Uncle Robert lived with them, and I remember her 3 daughters were little and how much Alice loved them and was so proud of them.
