*So many GREAT childhood memories. Mandy was always full of life and fun! She knew how to make you laugh at the simplest of things! I will cherish these memories...especially the sleep overs! We always got the giggles and got in trouble at least once a night everytime! Lifting this wonderful family up in prayer at this difficult time...may comfort and peace cover you in knowing that in eternity we will meet again. May she rest in peace...now she is fully restored...no more sickness...just peace...and im sure she will have a very heavy crown of jewels.
With our deepest sympathy
From my family to yours.

*Oh how quick time has past. The mandy i came to know was full of fire and life . ready for what ever came her way.. We were once the children now were the adults. I thank GOD for allowing me to be a small part of her and her familys life. Knowing that our Father will be with her family during this time. Helping them as they go onward throw life without her presents. Giving them peace knowing they may see her again. Sending love your way ❤️ ...
