“ I have known Andrew through Flag Foot Ball I remember he would always dance on the field even if we were losing, he would try to cheer us up when we we're losing and he always tried to make people smile.

“ *My family has been around the Benitez family in baseball for several years. Last year my son was on a team with Andrew. The team scrimmaged the older W.H. team against Andrew's older brother. It came to Junior pitching to Andrew. Andrew got a hit and the crowd went wild for him. I know that was a special moment for little brother against big brother! Every time I had seen Andrew on the field he was so happy, and onry! I loved it. I am so sorry and heartbroken for your loss.
Much love and prayers from the Doedens*
