Andrew was born on February 11, 1980 in Lorain, Ohio to John & Stephanie Cline Sikora. He grew up on Lake Erie which was the start of his love of the water and boating. His family later moved to Ashland, Ohio where he graduated from Ashland High School in 1998. After high school, Andrew enlisted in the United States Marine Corps and served with the 2D RECON Battalion. Following his USMC service, he graduated from The Fisher College of Business, The Ohio State University all the while serving as a Load Master and Sensor Operator Trainer with the United States Air Force Air National Guard.

He was employed by Force X as a program manager in Nashville, TN.

Andrew had a personality that was larger than life. He walked into a room and captivated his audience with his infectious personality, humor and smile. Andrew was a person who lived life with great passion; which showed throughout; in his dedication to work, his beloved family, friends, country and as a member of the Knights of Columbus at their church; St. Ann Catholic Church. Andrew spent his free time covered in diesel grease, tinkering with his trucks, tractors, classic car, or in the haul of his boat. He lived his best life in the mountains on his snowboard or speeding around on his boat, being silly with their 4 daughters, shooting guns, hunting with Kimber, paling around with his dad- simply living and loving life fiercely surrounded by those he loved most in his life.

In addition to his parents, he is survived by his wife, Alicia Sikora; daughters, Kairi, Maryanne, Lily, and Andi Sikora; sister, Allison and Eric Cline; 3 nieces and all his Marine Corps brothers including; Lopaka Bounds, Justin Jenney, Eric Cline, Uncle Tim Sikora.

If so desired, memorial contributions may be made to St. Ann Catholic Church or to his wife Alicia for their girl's future fund.
