“ To Anita's Family,
It is with much sadness that I read Anita's obit. She was in my 3rd Grade Class at Bransford. Always quiet and well mannered, Anita was a good student and had perfect handwriting as we learned cursive that year. I contacted Candice Moore to learn about her death. She was blessed not to have suffered but I know it was hard on the entire family and her friends. God bless you as you move forward in life with the memories you shared when Anita was alive.

“ My life was blessed by your friendship. I have known you for most of my 38 years. You were the. Wst friend I ever had in my entire life. So many of life's best memories contain you, singing on my wedding day, being by my side when each of my 3 children were born. I was at your wedding & the births of your 3 kids. We had more laughs than some would seem possible. You were by my side through Jim's lengthy illness & death, when I needed a true friend. I am forever grateful for that. You were an incredible mother & taught me so much, a great friend to look to for practical mothering advice. When we lost touch a little here & there, it was always easy to pick right back up. You had the most incredible parents on planet earth & you knew it. I love your kids like my own, it's heart wrenching to see the pain they must endure without you, their mother & friend. I will do whatever I can to be there for then, though NONE could ever come close to filling your shoes. I will cherish a lifetime of memories of you my living, funny, caring, & beautiful friend, & we will laugh again together someday. Tracy (Clouse) Johnson Holt & family
