“ O how I wish I could be with y'all today to say farewell & celebrate Betty's long & beautiful life. She was a kind & generous Godly woman who loved Jesus & in His name, blessed everyone who knew her. For almost 50 years Betty loved me like one of her own - always encouraging & always praying. I join Penny & Gary & all of the family in feeling the loss of her earthly presence but what a joy to know that now she's honored forever in the presence of God - Betty's life has just begun. . .
