“ Mrs. Ann was one of the sweetest people I've met. I am so thankful for the time I got to share with her. She will be greatly missed. My love and condolences go to her family who loved her so much. It was a blessing seeing how supportive, caring and loving the family was to Mrs. Ann and one another. I will always hold "Mama Ann" dear to my heart. Love, Nadja

“ Aunt Anne will be extremely missed by me and my daughter, I do however have many many memories of family times with her that I will cherish forever. I have an amazing image in my head that keeps me from being sad for her...the image is of her and Uncle Phillip dancing together, both of their heads thrown back with laughter and happiness all over their faces...When you saw Aunt Anne and Uncle Phillip you saw love...I'm gonna miss her alot and I know that her entire family feels the same...say hi to my Daddy for me please Aunt Anne...love you
Love Always, Traci
