“ Charles I'm so sorry you have lost your soulmate. I worked with Ann for 4 years at Dr Harrom's office. When she talked about you her eyes would just glow and shine with love. And I enjoyed watching her face as I told about my country living ...the grass, wild animals and bugs! May God provide you comfort and rest!

“*I had the great privilege of knowing Ann first as a college student working in my Dad’s office during the summer, and later as a physician working in my Dad’s office. Ann was a very special person. Very kind, devoted, and loyal. Definitely great to have her in your corner. She was a faith-filled woman. She was like part of the family. I enjoyed chatting with her, hearing her talk about her beloved family, her puppy, and her traveling. I loved her laugh! It is so hard to believe that she is no longer in this world, brightening the lives of those around her. I look forward to the day we can all be reunited with her in the place where “God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away.” (Revelation 21:4)*

“*My deepest condolences to the family. Ann was truly loved by us, her co-workers. Her naturally intrinsic kindness, compassion and willingness to help, was a beautiful gift to everyone. She kept us smiling with her funny "one liners". Ann, you will be dearly missed by all of us. God Bless.*
