“ Jerry and family, Ann and I went to school together in Fayetteville, TN for ten years before her family moved to Springfield. She didn't get to graduate with us but the Central High School class of 1962 still claims her. Jerry reached out to me on Facebook in 2011 and I saw Ann for the first time in many years. He brought her and their mother to lunch with fellow classmates and also brought her to our 55th reunion in 2017. We enjoyed many long conversations catching up on each others lives. She was very proud of all her children and grandchildren. She will forever remain as a blessed memory in all our hearts.

“ Jerry and family, my heart goes out to you in the loss of your sister. I have been through this myself and it doesn't get easier. Sisters hold most families together and I imagine Ann did that. Hold tight to the memories and give praise to where she lives today. Some seeey day we will see our families again
I love you, Jerry
