“ *Dear Sisco Family,
Please accept my sincere condolence on the loss of your family member. The Bible tells us that Death is our enemy, and that Almighty God, Jehovah, will completely eliminate death and restore our dear loved ones back to us by means of the resurrection (1 Corinthians 15:26, John 5:28,29 and Revelation 21:4). I hope that reflecting on these wonderful scriptural promises will do much to sooth your hearts at this most difficult time.*

“ Annette you will be missed. As a kid I have great memories from spending the night over your house, to playing barbies with Kari, to searching the yard at your house for Kari's tooth she lost when we were very little. I remember being at your house during Christmas eve and we had to stay there while "Santa" brought gifts to our house next door. They're are many more great memories and some not so great ones that we have been through with you. Shea and Henrietta I know are happy you are with them now. I can't thank you enough for being there my mom and I love you for that.. I know that mom will miss you very much. She cherished your friendship....
