“ *The first time I seen you. You were so peacefully sleeping i didn't want to bother you. You have your wings now. Fly high baby boy. Grandma has you now. Watch over your Momma and Daddy.*

My heart breaks for you as a mother whose only child went to heaven shortly after birth. Just wanted you to know that you're in my prayers. Reach out and let others hold you up and remember every emotion is normal. Your grief is your own, so feel what you feel and don't let others worry you; and take your time and most important...take care of you. From one heartbroken mother to another. May God bless and keep you close.
