“ Just now found out about the passing of Austin. He was too young and too impressionable. He was a great guy. He was once neighbors with my ex boyfriend and his roommate. He was always eager to fit in and I fear that might have been the downfall of him. My heart goes out to his immediate family and close friends. He was a great guy and i wish he wasn't lead down the path he took. The neighbors I'm referencing both took him down a path that he didn't deserve to go on. I'm so sorry.
