“ Barbara was a beautiful girl! We were cheerleaders together at White House High School — she was a senior and I was a sophomore. I looked up to her even though she was only two years older than me — she treated me like her little sister! She was part of a beautiful and well respected family. My thoughts are with her sisters Donna, Becky, and Ruthie who set the example as loving and caring sisters! My prayers are with them, her son, granddaughter, and the entire family.
