“ Seems like my sister Barb always had a troubled life. She struggled to get by on her own. She never had much but didn't have to. Even with all the disappointments in her life she was still humble and could always make you laugh. If you needed her she would be there to help. When our mother passed away Barbara wanted to go to church with me so she could get baptized so she'd be sure to see our Mother again. I'm sure they are together now. I love you Barb, Rest In Peace.

“ I worked with Barbara at Hendersonville Medical Center for a few years before I retired at the end of 2011, and I always enjoyed being around her. She was so pleasant and a joy to be around.

“ This is such a shock. I loved her dearly, she was so sweet and precious and I loved every minute I spent with her. She was a loving wife to my cousin and we were Blessed to have her in our family. I'm going to miss you, Barbara.
