“ *What a truly beautiful women inside and out. I am absolutely heartbroken to hear this news. Belinda was a seasoned fifth grade teacher my first year of teaching at Sycamore. I was assigned to her room for a school activity and instantly knew I wanted to be just like her. She was a pro but you could feel her love for the students and others. I am so grateful I had the opportunity to get to know such a sweet soul. She was so proud of her precious family. I am praying for you all during this difficult time.*
