“ Ben Lewis is the sweetest, kindest young man I've ever met. I've been having some health problems and Ben stopped by my house every day when he returned from work just to see how Ms. Nancy felt. Heaven is a much better place now with Ben being there.

“ I worked with Ben at Delight Products. He was always smiling and joking and full of Life. He was such a fun person to be around. His smile would lighten the room when he walked in. He was also very proud of his girls. I will always remember him fondly and he will be greatly missed by those who knew him.

I worked with Ben at Delight Products in Springfield. Ben was a Joy to work with. He always was talking about his family. He loved his wife and girls. I pray that God will wrap his loving arms around his family and give them comfort and peace during this difficult time. We love you all.

“ *I've had the pleasure of knowing Ben for the last 7 years or so, I knew him all throughout his time as an apprentice. I watched him grow into an outstanding electrician and a solid IBEW brother. He was a great guy who loved his family and I am truly blessed to have been counted as one of his many friends. He will be missed by many.*

Rest easy my friend...
