“ Dear Tony, I am just now seeing this obituary. I am very, very sorry for your loss. My mother and your grandmother Bessie were sisters. I knew Bernice while growing up in Springfield and thought she was one of the sweetest people ever. I spent many wonderful times on the farm with Bessie and Claude and have such wonderful memories of your family. Bernice once presided over my sister's birthday party, making the party fun with games she led for us kids. You are in my thoughts and prayers. Bernice was a very special person.

Your cousin,
Brenda Craft Henderson

“ Tony and Family - Please accept our sincere condolences for your loss. I loved Bernice and always looked forward to seeing her when I visited my mom at Brookdale Belle Meade. She never failed to take my face in both of her hands and give me a kiss. She and my mom were good friends and she was a bright light at Brookdale. She lit up whenever having the opportunity to dance! And she was a lovely dancer.

Again, so sorry for this loss. The world will be a little less bright.

Sincerely, Lynn and Steve Waterman
