“ My heart goes out to your family after hearing of your loss. I have known Ms.Bessie since my elementary days. I saw her a few years ago when I was in TN., and it was such a sweet time "catching up". She took me to church the first time, and I will always be grateful. I am so glad I was able to tell her that....at Grace! I know her Homegoing will leave a hole in your lives.

“ Tara and family this message is from all of the smartstyles family and all so from my mother and father Karen and Kelly LeBlanc we are praying for you and you know we are there for you if you need us at this time. Be comforted by the fact that she is at peace and know that she is with Jesus and that you can see her again one day. Love you and be strong and comforted by all the happy memories and know you are keeping her legacy alive by continuing to do hair as she did all those years.
