“ I have so many wonderful memories of Aunt Bettie. I can still hear her laugh. I remember her sweet smile and jolly personality. She gave the best hugs. I remember many times getting together as family and laughing and eating. I remember playing with Nancy, Jean and Valarie. So many of my extended family memories are connected to her. Tisha and I both commented that we felt so close to her. I still have my cookbook box of recipes she gave me at my wedding. I love cooking her recipes and remembering her. Mom, Tisha and I are praying for you all. We are sad but also rejoicing that she is home and with her family and Dad. We are sorry we can't be there with you all. We love you all. Tiffany McCorkle Anderson, Tisha McCorkle Robbins and Phyllis McCorkle
