“ Although I didn't know Miss Betty for very long, I thoroughly enjoyed my time getting to know her and visiting with her. The day I met Betty, she wasn't feeling well and she kept apologizing about not being able to be more “social”. That spoke to my heart as she was more concerned about how I was fairing than her own discomfort. Betty had a light that shinned brightly, even on a dark day. I want to thank Melinda and her family for sharing Betty with us. Sending prayers for peace and comfort. *Cindy Ohlmann, LMSW Alive Hospice Social Worker*

“ We are so sorry to hear about Mrs. Betty passing away. She was such a sweet lady and so much fun to be around. We will always remember how much fun we had on our camping trip to Vonore and what fun we had playing the game "Aggravation"! She always had such a joyful and loving personality and could light up the room. She will be so missed by all who knew and loved her!
