“ Betty was a beautiful woman inside and out. I have many memories of spending time in her home when Kathy & I were in high school. She was the ultimate hostess. She was an excellent cook & always made sure everything was just right when spending time at her home.

what a wonderful gift the Lucas/Das family was given to have her for so many years. My sincere sympathy to the family at this time of loss. My hope is that there is peace knowing she lived such a full & loving life.

Condolences to the family. Kathy and I were High School friends and I remember well being in the Lucas home many times. Betty was a beautiful woman. I remember her being in the kitchen a lot, her home was beautiful and she was so kind. May God comfort the family as they honor and remember a wonderful life.

“ Ms. Betty was a sweet and beautiful soul that lived with my mom at Maple Cottage. Mom passed away August 1st, and now I am positive they are both celebrating in Heaven with Jesus himself. My condolences to all the family.
