“ I was born and in the country. I went home with Aunt Betty one time. I was probably about 5 or 6 . I was outside with Uncle John. I went to go inside. I seen a button by the door. I decided to push it. Everytime I pushed it, the dogs would do tricks, so I kept pushing it. Oh, Aunt Betty come out of there with vengeance 😊. Uncle John was laughing the whole time. She asked me if I knew what a door bell was. No Aunt Betty, I said. She was such a good person. She will be missed. My thoughts, prayers and love to her family.
