“ Although it wasn't included in her obituary, she and Mr. Billy we're also MYF leaders at PVUMC during the 1960's. They were such a positive influence and provided excellent Christian leadership to me and other teens during that time. She will be missed on earth but her presence in heaven is being celebrated by my parents and others who went before. She was loved by many!

“ Ms. Betty was such a blessing in my life. I spent many years going to her house once a week to clean. It was always an awesome time sharing things with her. I hated it when health and family problems stopped me from going. Those times are forever in my heart. Love and will miss her.
