“ Jimmy I am terribly sorry to hear of your loss. I will always remember Betty and I having so much fun at Nashville Tech in the color photography lab. She taught me so much. Taking a friend and I to Sparta to photograph a waterfall, going to the camp you went to and seeing where she photographed owners with their horses. I will always remember her joy of God and family. Stay well, know that you and the family are in my prayers. Sincerely Nancy

“ I consider it a great honor to have known Betty for close to thirty years and will forever remain grateful for the many pictures made by her of our trail riding experiences. She and Jimmy, and members of the Moore family, have been a big part of my life, especially that dealing with equine activities, and feel as though my life has been enhanced by them. I am grateful for so many beautiful memories.
