“ I've got to say Betty was one of a kind and there will never be anyone else like her. I love Betty very much and I will miss her dearly. I have a memory in my head I will never forget. I went to Betty's house when I was young and me and Shelia went behind a fence where the old boar was. We climbed on top of it's pen while he was gone but when he came back he would not let us down. We had to stay out there all day until Betty got home. I will never forget that day. R. I. P. Betty I Love You and miss you very much.

“ *Betty was a wonderful kindred spirit. She was always smiling and was such a loving person. I will forever cherish the time I spent helping out her and Mike when Lynn was away at the Nursing Home. We had alot of great talks, enjoyed making her jelly and toast and most of all seeing how much she loved Capt D's. Rest in peace Betty and you'll be missed !! Lynn, Lori, Mike, Shelia/friends / Family - you are in my Prayers !!*

“ *Thank you for sharing this sweet soul with me the last couple of years. Ms. Betty has always been my vert favorite and I hold such a special place in my heart for her and of course her beautiful family. She was one of a kind and it would be hard not to be drawn to her. She was the woman I aspire to be. We joked about her putting on her dancing shoes and we were going out on the town one night to dance. You are dancing with the angels now, beautiful woman. Thank you for welcoming me and letting me work alongside not only her but Mr. Lynn and the rest of the family. Rest In Peace Ms. Betty*

“ I don't know if many remember, but as a kid I used to be asked by Betty, Patsy and Kathy to do make up, hair and nails. Several times Betty would ask me to do her hair and several times after my hard work 😊 she'd go into the bathroom at Elise's and redo it to that 1 style we all remember. R.I.H. Betty❤️❤️❤️ Love you.
