“ When I was a child of seven or eight years old, Ralph and Beverly came to Cleveland for a visit. My family was going to a restaurant to eat with them. Beverly asked me if I would like to ride with them to the restaurant. I accepted her invitation. Beverly invited me to sit beside her in the front seat. As we were going to the restaurant, the sun was shining brightly in the front window. The sun was blinding in my eyes. Beverly put her arm around me, held me close to her, and put her hand up to block the sun from my eyes. She talked to me like I was an adult. She gave me love and attention. I was a shy and timid child. As a kid, most adults just ignored me. Beverly treated me like I was someone, even as a child. I am over sixty now, and I still remember that day. She left an impression on my heart and in my memory. The love, care and compassion that she showed to me that day is a reflection of Beverly's heart. Jesus said, "... Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." Beverly had the love of Jesus in her heart. - David Coffman

“ Aunt Beverly was a wonderful person, always laughing. My heart is sadden but rejoicing at the same time because we know she is pain free and laughing and talking to her loved ones. Larry and I will miss her dearly. Praying Francis, Delores and Bud for peace and comfort and always remember the wonderful memories you all shared. We love you cousins, take care of Uncle Ralph and hug him for me.
