“ Beverly was a couple of years ahead of me at White House High School and was always so beautiful! She helped me get my first job at the State Highway Department in 1972 (now the Department of Transportation) by introducing me to the Director of Personnel. She was lovely inside and out and I know she will be missed by many. My prayers are with her family.

“ We were not only classmates but also very good friends. I often told her she would always be Miss White House High.

“ Beverly and I met at TDOT many years ago. I always thought she was a beautiful woman and was always so cheerful. I really got to be close to her after I retired in 2008. We would get out to lunch occasionally with Faye and Susan. We all would laugh ourself crazy. She had the best personality and tell the funniest stories. When I moved to NC we were both on Instagram so we messaged each other through the day, we'd send silly things to each other but then we got serious too. We'd talk about life and God. I can't imagine what Vicki, Nikki and the family must be going through. It's so hard to lose your Sister and they were very close. I am gonna have many days thinking about my sweet friend. My heartfelt sympathy goes out to her family. Bev, I love you So. We will see each other again 🥹. She was a good Christian and Bestie.
