“ Bill was our Webelos leader and Ivy was always by Bill side no matter what he was into. My dad knew them prior because he was their mailman and our family always was talking to each other. Both will be sorely missed. They both made a huge impact on our lives and everyone around them. They have left a big hole in our lives here but heaven just got a lot better with both of them there!

“ Sondra, I am sorry to read about your mother and daddy. As much, I suspect, as they loved to hear each other's voice, how much sweeter to hear the voice of GOD. I hope your reunion with them will be even more blessed than your memories.

“ Thank you so much Rusty Powers, I felt like my daddy thought a lot of you also. Hope you are well. The two of them were a few of a kind if not one of a kind. When he went into the service she waited on him to get back. No more to be said on that hope you found happiness.
