“ I had the privilege of working for Mr. Wilkinson for several years when I was in high school and college. He was always so interested in what I was doing and encouraged me to continue to pursue my education. I am so grateful for the opportunity he gave me to work for him and for how he always treated me so well. He will be remembered fondly. Sending prayers for Linda and her family.

“ Thought a lot of Bill. After Mr. Jack Boyd and Ms. Becky ended practice. Stinnett and Wilkinson always handled our legal affairs. Bill was always kind and friendly and we talked about our families. My prayers and thoughts go out to Linda and all the family. God Bless

“ I first met Bill when we sat next to each other in Dr. Harold Pryor's Education 200 class at APSU, probably in 1960. After he joined Mr. Stinnett's practice, I ran into him one day, and we shared memories of the class. He and Linda, two of the kindest, friendliest people I know, produced a wonderful family. My heart goes out to Linda and all their family and close friends.
