“ *My deepest sympathy to all the family especially to Mrs. Betty. What a wonderful expression of love in the care you have given him through the years. Lisa my love as always to you and Earl . Remember the family celebrations and all the fun times all of you shared. I loved my talks with Mr Bill and so glad he loved the BLUE CHAIR. We would always talk about that chair. May God bless all of you and your precious mother. Rebecca and Bob Vanderpool*
