“ *Teresa, so sorry to hear about Bo. I wish I could attend the service but Bill and I are out of town and will not be home for another week. You will be in my thoughts and prayers. Wish there was more I could say to help. I know this has to be hard but I know you will have a lot of friends and family for support. Take care of yourself and remember God is always with you.*

“ *Bo was the kindest soul and got up ever day and made the decision to be happy and have a good day no matter what was going on. I don't know many people who can do that. I have always admired him so deeply for that and so much else. He was such a very good friend and I love him so much. Bo helped me through some hard times and I'll never ever forget him. I consider myself very lucky to have known him and he will be missed dearly. Sending my love to his family. The world needs more people like Bo, and I am so so sorry for this terrible loss.*
