“ Jeff, Steve, and Amanda and families; I am so sorry to hear of your mother's passing. She was a gracious lady and you were fortunate to have her and the example she was. She taught me so many things when I was a part of your family. Take comfort from God during your grief and know that her faith has been made sight. My prayers are with you.

My condolences to the Shepard family. Bobbie Dell was a special friend going back to our days at Jo Byrns High School. She was one of the "committee" and we had meetings quite often. The meetings were not to take care of business but to share friendship. We had several meetings at the lake behind their house before Houston passed away. So many good memories and so blessed to have had her for a friend. I will miss her.
