“ We have wonderful memories of our years living next door to Gina and Wade and their family.... it is the greatest gift to have neighbors who are also friends. Living on the lake, we shared some good times at each other's homes and a few good boat trips on the lake. Wade was always looking out for everyone...even the little pack of raccoons that came up from the bluff for treats! Sending our love and prayers for the whole family - we know Wade is now relaxing on that big heavenly lake and keeping all the angels around him smiling...
