Maybe a garage sale too! Thank you, I know you were wanting me in the leasing position at Lafayette...well, I am here holding down the fort. Now you can rest. Deena Gregory*

“ Bonnie, I will never forget this last conference you and Jennifer had so much fun at the party and ten minutes lasted two hours. We were friend since the first day we worked together and I will never forget you telling Joanna while Mary was training me she stood behind me with a ruler until I got it right. My life was made better by meeting you and I will never forget the good times we had at the conferences. I know you are in heaven watching over us. Love you and will miss you more than you will ever know. Mary Glenn
