Tribute Wall

“ *Kim, Troy, Kevin, Chad, Kathy, and your other family members,*

You are all in our hearts today and for days to come as you do your best to move forward after this loss. We wish we could be there, but surround you with love and hugs from 'here'.

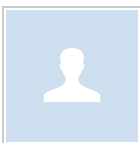

Something I read somewhere, as if expressed specifically for Brad, "...he was too beautiful for Earth".

He is now soaring among the stars and rest assured he is still with you; pay attention to the signs when you least expect it - a smell, a sound, an animal, a light/sparkle, a rainbow - and any future pictures you take.

Love is energy and never dies.

*We love you all,
Betsy and Meghan*

“ We remember the sweet toothless smile of baby Brad. He already was tugging on our hearts and full of life and followed his brother around like his shadow. Mark & I remember the early days with many laughs as we all learned how to be parents together. Our hearts are sad to know this sweet man has gone so early. We know that he is basking in the brilliant light with our Heavenly Father now watching over his loved ones waiting to be reunited. To Kevin, Kim and the rest of his adoring family, stay strong and lean on the Lord, family and friends. We all love you very much.
